### DEPARTMENT OF MATHEMATICS

#### REPORT ON NATIONAL MATHEMATICS DAY

The Department of Mathematics, Faculty of Sciences has organized National Mathematics Day on 22.12.2023.

On 22<sup>nd</sup> December 2023, the program was inaugurated with all the faculty of sciences with UG and PG students. All the dignitaries, Dean, HoDs, and other teaching staff were invited to light the lamp.

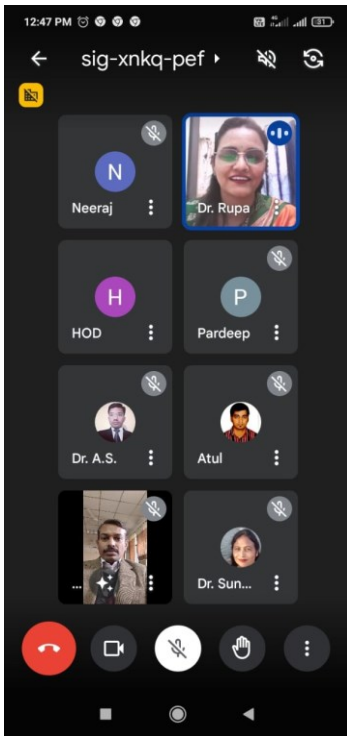

Dr. Vinod Kumar, HOD/Coordinator of the Department of Mathematics wished a very warm welcome to all the participants. He mentioned the significance and relevance of National Mathematics Day. Associate Dean Dr. Sunita Rani, Dr. AS. Yadav Ms Neeraj Rani, and Mr. Pardeep Kumar gave their valuable address and gave a talk about Mathematicians and their contribution to the field of mathematics. Later, Dr. Rupa Rani Sharma Associate Professor (*G.L. Bajaj Institute of Technology & Management, Greater Noida, New Delhi*) gave a special address about this program through online mode. She talked about the major contribution of Sir Shrinivas Ramanujan in Mathematics.

Video presentation arranged for students about the Life History and Achievements of Srinivasa Ramanujan, and applications of Mathematics. Later, some speeches are presented by students.

Vote of thanks was proposed by Dr. Vinod Kumar, Department of Mathematics, Faculty of Sciences, Guru Kashi University (NAAC A++), Talwandi Sabo Punjab, on behalf of the entire organizing team. He extended an immense gratitude to the GKU management and Dean for their continuous support in conducting this program.
