

### FRESHER'S PARTY IN PARAMEDICAL COLLEGE

November 1: The University College of Paramedical organized a fresher's party in the Campus to welcome the new students. The function was organized in the main Auditorium in GKU Campus. Dr. Jagtar Singh Dhiman (Registrar) Guru Kashi University appeared as Chief Guest in the function. He advised the students to put maximum efforts in the studies to emerge successful in their chosen field and assured every support in academics and research from University side for their goal realization. He exhorted them to be useful to society and be responsible citizen.

Mrs. Rimi Kaur Dean shared that various cultural items Gidha, Bhangra, Solo dance, Group dance, Skits and Songs and fashion parade were presented by the senior students to welcome the newer ones. A modeling show was also organized on this occasion. On the basis of ramp modeling, dressing sense and question/answers the winners were awarded prizes rounds.

The GKU Vice Chancellor Col. Dr. B.S. Dhaliwal welcomed new students and appreciated the efforts of staff and students of college of paramedical Science for the events.

### GURU KASHI UNIVERSITY TO HOST INTERNATIONAL WORKSHOP ON NOVEMBER 3

November 2: Guru Gobind College of Engineering and Technology of Guru Kashi University (GKU) is hosting one day workshop on "Recent Trends in Mechanical and Material Engineering". Giving details, Dr. G.S Brar (Dean GGSCET) said "Dr Garry W. Rankin is from Fluid Dynamics Research Institute, Windsor (Canada) and Dr. J. Karthikeyan from (ASB Industries Inc., Ohio, USA)."

The discussion in the workshop will focus on recent advances in fluid dynamics, Automotive Engineering, Material Engineering and Thermal Spray Technology. The Scientists, Researchers and the Post Graduate students will participate in the discussion.

The GKU Vice Chancellor Col., Dr. B.S Dhaliwal will welcome the experts and give his presidential remarks. Managing Director S. Sukhraj Singh Sidhu said that organisation interfaces its students, faculty with renowned

scientists of the world from time to time, as a part of its Human Resource Development Programmes.

### GKU ORGANISES INTERNATIONAL WORKSHOP ON MECHANICAL AND MATERIAL ENGINEERING

November 3: A one day workshop was organized at Guru Kashi University (GKU) on "Recent Trends in Mechanical and Material Engineering". Prof Gary W. Rankin (Fluid Dynamics Research Institute, Windsor, Canada) and Dr J. Karthikeya, Dir Research & Dev (ASB Industries, Inc., Barberton, Ohio, USA) could find time to be at GKU delivered their expert talks.

"Mechanical engineers design and fabricate machines and devices that enable us to live and work in space, in the air, on the ground, and under water" said Prof Rankin adding that their machines can extend our physical capabilities, improve our health and standard of living, and impact the environment in which we live. This is why engineers and material scientists work intimately with the goal of tailoring not only the mechanical, but also chemical and electrical properties of materials to make new applications possible, he said.

Dr Karthikeyan elaborated the technology of plasma and the implications of thermal sprays. He said that cold spray technology, on which he is the authority, can serve useful applications in wide variety of fields cutting across engineering, biotechnology, agriculture, electronics and acoustics. He motivated students to peep out of their comfort zones and follow their dreams in chosen areas of profession, with passion.

The GKU Vice Chancellor Col Dr B S Dhaliwal welcomed the experts and all participants while the Registrar Dr Jagtar Singh Dhiman proposed his vote of thanks while highlighting the core areas of discussion. Prominent among the present were Dr Jagpal Singh, Pro-Vice Chancellor, Dr Narinder Singh, Director Finance, Dr RK Bansal, Dean Research, Dr G S Brar, Dean of the College of Engineering & Technology, GKU and Deans, Directors, heads of Department, faculty members and students from various constituent colleges of GKU. The expert speakers were presented with GKU mementoes and shawls. Later, they were shown around the campus landmarks.

### **GKU STARTS CAMPAIGN AGAINST RICE STRAW BURNING**

November 6: Burning of Rice Straw causes Air Pollution which adversely affects the Human health, especially Patients with respiratory problem and asthma. Sometimes,

the problem is so acute that these patients have to be hospitalized. Apart from Air Pollution. The burning causes the loss of nutrients especially nitrogen, Sulphur, Phosphorus and organic matter, keeping in the view, the experts of University college of Agriculture of Guru Kashi University advised the Farmers of the adjoining Villages specially Jaga Ram Tirath, not to burn the rice straw, Instead of Burning, they should incorporate the rice straw in the field which will improve soil fertility and soil productivity through addition of plant, Nutrients and organic Mater. They can also use rice straw for preparation of compost manure for mulching in vegetable crops and can also use as bedding material for animals. It can also be used for generation of electricity collected by baler.

A meeting was held under the chairmanship of SDM of Talwandi Sabo to manage rice straw, Dr. A.L. Sharma and Dr. A.S. Sidhu attended the meeting. It was decided to manage rice straw in Jaga Ram Tirath and surrounding villages.

Students of the University College of agriculture also joined the campaign for collection of rice straw which will be utilized for preparation of compost, Mulching & bedding for animals & dry fodder for straw animals. The management and Administration of GKU assured to extend every sort of help for this social cause.

### **CRC CELL OF GKU CONDUCTS APTITUDE TEST**

November 9: Keeping in the view of enhancement of abilities of students to perform different tasks during study and in jobs, the CRC cell of Guru Kashi University conducted an aptitude test to check the preparation of students for placements. This test was conducted for final year students of six Colleges includes College of Management, Agriculture, Fashion Technology, Engineering, Computer Applications and Hotel

Management. Approx. 450 students appeared in the test, from which 65 students were short listed. Mock Interviews were conducted also for them. The hon'ble Management of GKU announced cash prizes for top three students. First position is bagged by Mr. Kulveer (MBA), Second position is bagged by Ravi Teja Naidu and Rajat Kumar (Agriculture) and third position is secured by Sandeep Kaur (B.Com) Management.

The GKU Vice Chancellor Col. Dr. B.S.Dhaliwal congratulated all the winners and wished them good luck for the future. Dr. Dhaliwal also advised Ms. Shalli Jindal (Director CRC) and other members of CRC cell to organize such activities frequently in future.

S. Sukhraj Singh Sidhu, Managing Director appreciated the work done by Ms. Shalli Jindal, Mr. Karnbir Singh and other staff members. Students should participate maximum in such activities for their overall development, he added.

### Industrial Tour by GKU Students

November 14: Students of Engineering college of Guru Kashi University visited Trident, Sebiz, Nets Martz , Techno Specs during the recent Industrial tour . Madam Shaily Jindal Director Corporate Resource Centre of GKU, Said that the tour was arranged for the students of different

engineering branches for the technical and practical know-how of different industrial units. Students were shown different production units by the Trident Staff from Production to Packaging with Demos and presentations.

The GKU Vice Chancellor Col. Dr. B.S. Dhaliwal appreciated the efforts of CRC Cell of University and delivered thankful words to the Managers of different companies for delivering strategic knowledge to the staff and students. Managing Director S. Sukhraj Singh Sidhu lauded the efforts of staff and students for this visit and also assured every sort of help to nurture the students as per the requirement of today's corporate world.

### GKU HOSTS INTERNATIONAL CONFERENCE ON DIVERSE SCIENCE DISCIPLINES

November 21: An International Conference on “Recent Innovations in Science, Agriculture, Engineering and Management” was held at Guru Kashi University today, wherein more than 600 research papers were submitted by scientists from across 9 countries. The focus remained on cost on various subjects effective & eco- friendly technologies, which could uplift the livelihood and living standard of the masses. The conference was inaugurated by Dr. Lt. Col. GPI Singh VC Adesh University, Bathinda who said that although science in various forms has led to the useable technologies that have impacted society in various ways, in many cases such as Green Revolution, Development of pesticides like DDT, Atomic energy devices, etc there have been some negative fallout, which

he said should be focused. Dr. Singh said that in the contemporary society, depleting soil health and underground water the problems like infertility, depression, genetically disorders in newly born, pollution of environment, soil, water and air depleting the soil health and underground water, ill effects of non-degradability of plastic, tolerance of pests, pathogens to drugs, pesticides are common. He called scientists to develop collaborative groups to tackle the emerging problems. The James Mc Gill Prof. Shiv O Prashar from Montreal expressed concern about the prevailing high incidence of Cancer in South West Punjab. He emphasized on the formation of international working group to ascertain the probable causes, and taking up awareness campaign.

Sharing the presidium, Prof. Suleman (Nigeria), Prof. Himanshu Batra (Google), Dr. Rakesh Thakur (Punjab University), Miss. Ankita Kumar (Corporate World) highlighted that the technological development should generate its impact on society, utilize the democratic dividend, instill entrepreneurship among the youth, startup skill development incubator to mold youth power into technology power and to make this world worth living.

Earlier the GKU Vice Chancellor Col. Dr. B.S. Dhaliwal welcomed the delegates and guests apprising them of the research and curriculum programs of GKU. The GKU Registrar Dr. J.S. Dhiman, highlighted that the conference revolved around computer science, electrical, electronics, mechanical, civil, communication Engineering, management, agriculture and environment for which delegations were held in separate sessions. He said that the

future will witness grater roles of research in gene therapy, challenge of climate change, renewable and innovative health care.

The chief convener of the conference Dr. Vijay Laxmi said that all the presented papers will be published in high rating journals. Present among the galaxy of scientists were Dr. Jagpal Singh, Pro Vice Chancellor GKU, and Dean Directors and Heads of different Departments of GKU. Dr. Shyamkiran Kaur, Assistant Professor (UCBSH) coordinated the conference. The authors of winning research papers were awarded certificates and prizes.

#### **A MOTIVATIONAL LECTURE ON WRITING SKILLS FOR NEWSPAPER AND MAGAZINE BY DR. DHIMAN**

November 21: To inspire and guide budding minds, Cultural and Social Welfare Committee, Guru Kashi University organized a motivational lecture on “Writing Skills for Newspaper and Magazine” by Dr. Jagtar Singh Dhiman, Registrar, Guru Kashi University. Dr. Dhiman, an intellectual and savant, talked about significant aspects of news writing and essay writing in magazine. He even focused on attaining the proficiency required to present in writing a lucid work of academic research. He also satisfied the queries of the audience. Dr. (Col). Bhinder Singh Dhaliwal was the Chief Guest of the event. The lecture was presided over by S. Sukhraj Singh Sidhu, Managing Director, GKU. The Managing Director appreciated the event and the Vice-Chancellor considered such lectures as the need of the hour. The vote of thanks was proposed by Dr. Harpreet Kaur Aulakh, Incharge

Cultural and Social Welfare Committee, GKU and she enlightened the audience regarding the life and achievements of Dr. Dhiman. The event was also attended by Pro- Vice Chancellor, GKU Dr. Jagpal Singh, Dr. Narinder Singh Director Finance, GKU, Dr. AshwaniSethi, Dr. Amit Tuteja and Madam Sharanjit Kaur. All the students and faculty activity participated in the thought provoking session.

#### **CANADIAN SCIENTIST DELIBERATES ON CAUSES FOR HIGH CANCER IN S-W PUNJAB WITH GKU**

November 22: Dr Shiv.O. Prasher, a world renowned Professor of Bio-Engineering at McGill University Montreal, Canada visited Guru Kashi University (GKU) and held discussion with senior scientists and officers on the probable factors for the higher risks of cancer in the S-W parts of Punjab. He was accompanied by Col Sunil Sharma, who is running an NGO for eco-friendly agriculture.

Deliberating on various dimensions of the problem, he said that the gravity of the problem needed collective efforts. He suggested the creation of an International Working Group (IWG) for this. Sharing the type of research that his group was doing on various

aspects of bad quality water in relation to agriculture, domestic use and human health, he elaborated that cancer, endemic in South-Western districts of Punjab, in cotton belt, is an alarming malady affecting the masses and merits holistic investigation. He suggested the participating scientists how to seek funds from international agencies for projects involving international collaborations.

His visit was a step forward to the earlier visit of the GKU Chancellor, Dr J.S. Dhaliwal, to the McGill University, Montreal wherein he held parleys with team of scientists led by Dr Prasher. Their discussions mooted an idea of joint holistic study on the problem of cancer in the Talwandi Sabo block that will involve sampling of groundwater, surface water, soil, air and the agricultural produce in the pre-monsoon, monsoon and post-monsoon period, and their analysis for pesticides, fertilizers, heavy metals, uranium, and tri-chloro-ethylene using precision techniques. Enthusiastic about the IWG and the proposed study on the environmental causes of higher risks of cancer in South-Western Region of Punjab, Dr Dhaliwal called it as his dream project which Dr Shiv O. Prasher (McGill) has also laid emphasis on.

The Managing Director, S. Sukhraj Singh Sidhu, expressed gratitude to the Canadian Scientist for his GKU and holding parleys with the scientists and suggesting the formation of collaborative working group on environment and cancer and hoped that the outcome will benefit people in the long run.

Earlier, welcoming Dr Shiv.O. Prasher, the GKU Vice Chancellor, Dr B.S.Dhaliwal, said that despite the extent and hazards of the problem, detailed scientific studies have not been undertaken in S-W Punjab to elucidate the actual cause. The joint international efforts by experts of GKU and McGill University will go a long way in knowing the problem in detail and creating awareness among the people, he expected.

The GKU Registrar, Dr Jagtar Singh Dhiman said that the eventual outcome of the Indo-Canadian effort will be a status paper with shared inputs by GKU and McGill University. In the long run, this will lead to a suitable strategy to create awareness among the local community how to deal with the noxious exposure to environmental contaminants, he said.

The GKU Pro-Vice Chancellor, Dr Jagpal Singh said that the proposed outreach plan with the help of NGOs, extension functionaries and scientists in the Malwa region will help educate people on this serious human health problem.

Dr Prasher and Col Sunil Sharma were shown around various landmarks of the University and honored with a shawl and a memento on this occasion.

### ਗੁਰੂ ਕਾਸ਼ੀ ਯੂਨੀਵਰਸਿਟੀ ਦੇ ਵਿਦਿਆਰਥੀਆਂ ਦੀ ਨੌਕਰੀਆਂ ਲਈ ਚੋਣ

ਨਵੰਬਰ 23: ਗੁਰੂ ਕਾਸ਼ੀ ਯੂਨੀਵਰਸਿਟੀ, ਦੇ ਇੰਜੀਨੀਰਿੰਗ ਕਾਲਜ ਦੇ ਵਿਦਿਆਰਥੀਆਂ ਵੱਲੋਂ ਬੀਤੇ ਦਿਨੀਂ ਟੈਲੈਂਟ ਪੁੱਲ ਨਾਮੀ ਕੰਪਨੀ ਨੇ ਚੋਰ ਕੀਤਾ। ਵਿਦਿਆਰਥੀਆਂ ਨੂੰ ਵਿਦਿਅਕ ਗਿਆਨ ਦੇ ਨਾਲ ਨਾਲ ਕੰਮਕਾਜੀ ਗਿਆਨ ਹੋਣ ਕਰਕੇ ਕੰਪਨੀ ਵੱਲੋਂ ਚੋਣ ਕੀਤੀ ਗਈ। ਯੂਨੀਵਰਸਿਟੀ ਦੇ ਕਾਰਪੋਰੇਟ ਰਿਸੋਰਸ ਸੈੱਲ ਦੇ ਡਾਇਰੈਕਟਰ ਸ਼ੈਲੀ ਜਿੰਦਲ ਅਤੇ ਸਟਾਫ ਵੱਲੋਂ ਇਹ ਉਦਯੋਗਿਕ ਨੌਕਰੀ ਮੇਲੇ ਦਾ ਆਯੋਜਨ ਕੀਤਾ ਗਿਆ। ਮੈਂਡਮ ਜਿੰਦਲ ਨੇ ਦੱਸਿਆ ਕਿ ਕੰਪਨੀ ਦੇ ਨੁਮਾਇੰਦਿਆਂ ਨੇ ਵਿਦਿਆਰਥੀਆਂ ਤੋਂ ਵੱਖ ਵੱਖ ਭਾਗਾਂ ਵਿੱਚ ਇੰਟਰਵਿਊ ਲਈ ਗਈ। ਕੰਪਨੀ ਦੇ ਨੁਮਾਇੰਦਿਆਂ ਨੇ 7 ਵਿਦਿਆਰਥੀਆਂ ਦੀ ਮੌਕੇ ਤੇ ਹੀ ਚੋਣ ਕੀਤੀ, ਇਹਨਾਂ ਦੇ ਨਾਮ ਰਾਜਾ ਕੁਮਾਰ, ਟਾਰਜਨ, ਕੌਸ਼ਲ ਕੁਮਾਰ, ਧੀਰਜ ਕੁਮਾਰ, ਵਿਸ਼ਵਜੀਤ, ਅਬੀਸ਼ੇਕ ਕੁਮਾਰ, ਹਰਮਨਦੀਪ ਕੌਰ ਹਨ।

ਗੁਰੂ ਕਾਸ਼ੀ ਯੂਨੀਵਰਸਿਟੀ ਦੇ ਉਪਕੁਲਪਤੀ ਕਰਨਲ ਡਾ: ਭੁਪਿੰਦਰ ਸਿੰਘ ਧਾਲੀਵਾਲ ਨੇ ਕਾਰਪੋਰੇਟ ਰਿਸੋਰਸ ਸੈੱਲ ਦੇ ਸੁਚੱਜੇ ਉੱਦਮ ਦੀ ਸ਼ਲਾਘਾ ਕੀਤੀ ਅਜਿਹੇ ਦੌਰੇ ਨਿਰੰਤਰ ਚੱਲਦੇ ਰਹਿਣ ਦੀ ਸਲਾਹ ਦਿੱਤੀ, ਜਿਸ ਸਦਕਾ ਵਿਦਿਆਰਥੀਆਂ ਨੂੰ ਕਿਤਾਬੀ ਗਿਆਨ ਦੇ ਨਾਲ ਨਾਲ ਨੌਕਰੀਆਂ ਦੇ ਯੋਗ ਬਣਾਇਆ ਜਾ ਸਕੇ।

ਮਨੇਜਿੰਗ ਡਾਇਰੈਕਟਰ ਸ. ਸੁਖਰਾਜ ਸਿੰਘ ਸਿੱਧੂ ਨੇ ਯੂਨੀਵਰਸਿਟੀ ਵੱਲੋਂ ਅਜਿਹੇ ਕੰਮਾਂ ਲਈ ਹਰ ਸੰਭਵ ਸਹਾਇਤਾ ਦਾ ਭਰੋਸਾ ਦਵਾਇਆ ਗਿਆ, ਅਤੇ ਨਾਲ ਹੀ ਕਿਹਾ ਕਿ ਅਜਿਹੇ ਉਦਯੋਗਕ ਦੌਰਿਆਂ ਸਦਕਾ

ਵਦਿਆਰਥੀਆਂ ਨੂੰ ਕਾਰਪੋਰੇਟ ਵਰਗ ਦੀਆਂ ਕਸੋਟੀਆਂ ਤੇ ਖਰੇ ਉਤਰਨ ਲਈ ਵਧਾਈ ਦਿੱਤੀ।

### A SEMINAR ON “ROAD SAFETY” AT GKU

November 24: To sensitize and aware the students and drivers, Cultural and Social Welfare Committee, Guru Kashi University organized a seminar on “Road Safety”. S. Udaydeep Singh Sidhu (PCS), Secretary, Regional Transport Authority (Bathinda) was the Guest of Honour. Dr. Harpreet Kaur Aulakh, Incharge Cultural and Social Welfare Committee, GKU delivered the welcome address and apprised the audience concerning the life and achievements of S. Udaydeep Singh Sidhu (PCS). S. Sidhu said that one should consider adherence to traffic rules as it is a fundamental duty of every citizen and urged the participants to follow the traffic rules. S.
